

Carrick Masters Swimming Club Welfare

Carrick Masters Swimming Club takes the welfare of all its members seriously.

The welfare of children and young people is very important and we follow the recommendations included in Swim England's [Wavepower](#) manual.

The aim of Wavepower 2020/23 is to help everyone in aquatics to understand their roles and responsibilities to safeguard children and young people in line with current legislation and guidance.

The responsibility to safeguard children in our club lies with all those involved and is not the sole responsibility of any one person at club.

If you have any concerns regarding the welfare of a child or young person within our club, or wish to ask a question relating to welfare, please contact Alan Dodd on cmssc_welfare@outlook.com.
